Hello Legacy Members!

I know it's not November but it's time to head to the ballot boxes, I mean, our online voting form!

These changes have been written, edited, and approved both by Legacy Board, as well as the committee members, in order to better serve the needs of our organization and are now presented to you for your approval.

There are just two revisions for your review...

Bylaw Change #1

Bylaw Change #1 centers around our cherished, time-honored annual Reunion and will provide location flexibility with the intention to connect with a larger audience thus keeping our story alive.

Bylaw Change #2

While Bylaw Change #2 centers around our Annual Meeting, some historical context may help your understanding of part 2 of this proposed Change.

Our Legacy Organization stems from the original Survivor's Organization ([click this link](#) for more details). Currently, the Survivor's Organization together with the Legacy Organization hosts our annual Reunion.

Bylaw Change #2 gives more flexibility on the date, time, and location of the annual meetings, as well as provides clarity/direction on what will happen with the Reunions if the Survivors Organization ever disbands.

And Now Time for Your Vote!

Once submitted, all the votes will be tabulated and the results will be shared with you at our next Annual Meeting. You can find the link to the ballot by [clicking here](#).

Be sure to cast your vote by Wednesday, April 13th!

Thank you,

Lynn :-)
